Acting-Principal's Report

Welcome to week 3 and my last week as Acting Principal. Thanks to all staff, students and parents for making it go so smoothly.

We are **missing** quite a large number of **rashies** for swimming. A lot of them were taken for camp and some have not been returned. Please check to see if you have a light-blue, long-sleeved rash at home and **return it ASAP**. Swimming will go ahead again this week. Don't forget togs, towel and money.

We are looking at **moving some rather large shelving** from the storeroom near the staff room to the shed at the end of the building. This requires a few people with some big muscles to move (Dads in particular). We are looking at having a **working bee on Saturday, 28th** to move these. **PLEASE consider coming along and helping**. If anyone would like to volunteer to do this before that date it would be greatly appreciated.

Our **Lion King** preparation is in full swing and students have been asked to take their scripts home and **learn their lines for home reading**. For this performance to be a success we need the lead roles to be polished in their performance. Please assist your child with the learning of these lines, as having someone to rehearse with is the best way to learn them.
