Principal's Report

Students are currently working hard to complete their end of year assessments. At the same time, we are moving a lot of our energies to the arts and in particular preparations for The Lion King production. Public Performances anxiety can be another trigger for anxiety. This is a busy time of year and we encourage students to speak to their teachers if they are feeling stressed. It is important to talk about our feelings and we are here to help.

We are really grateful to our families for supporting The Lion King production. Please find attached the out-of-hours rehearsal schedule for this week. Thank you to the parents who have given us advance notice that their children will be unable to attend rehearsals on some of the days.

Lynene, Jane and Melissa have been putting in many hours of work to set up The Lion King performers with the costumes and props they need. They are still looking for the following clothing items ASAP:

- Leggings, pants and shirts in plain colours — black / brown / pink / grey / orange / tan
- White and pink tutus

Please let them know if you can help.

We are very lucky to have such amazing families at Forrest Beach State School. Last week's Celebration of Families was a big success and we really enjoyed the opportunity to look at the beautiful "family celebration stalls". Thank you to the parents who set up a stall. The feedback from the event has been really positive and we are looking to make this an annual feature on our school calendar.

Please also find attached to this newsletter a Media Consent Form. Please complete, sign and return the form to the school. Thank you.

Darren Cameron

Around the School

We are very lucky to have such amazing families at Forrest Beach State School. Last week's Celebration of Families was a big success, and we really enjoyed the opportunity to look at the beautiful "family celebration stalls".
